

Mission: Côte d'Ivoire

Tim & Kristy Teague

Summer 2021

Account #264485

Dear Family and Friends,

We want to thank you! We are currently itinerating for our 4th term as missionaries with Assemblies of God World Missions. In the last four years, our focus has been on evangelism, church planting, teaching, and compassion ministries. God did amazing things because of your prayer for our family and your faithful support to missions. Our photos below highlight some of these events.

We held numerous open-air evangelism events that led to over 3500 new believers added to local churches, and we planted a church in Abidjan, Cote d'Ivoire that currently has over 250 in attendance.

Evangelism at a water well dedication in Siyaledouo

Women's ministry event at our church plant in Abidjan

We hosted two medical teams that treated 1900 patients! This resulted in over 400 people becoming new believers. We also hosted several building teams that constructed 12 tabernacles.

Medical team setting up for clinic in Daloa

Tabernacle home completed for Muslim converts in Daloa

We established 6 local church study centers and held numerous teaching seminars that currently facilitate training for over 500 church leaders.

New study center in Boundiali

We trained hundreds of pastors through the three Bible Institutes in Cote d'Ivoire, the West African Advanced School of Theology in Togo, and the European Bible College in France.

Bible Institute in Daloa

European Bible College in Cergy, France

School of Ministry in Southlake, TX

Currently we are developing **an online and in-person bible college for students in French** in Africa, Europe, and North America. We are currently teaching over 100 French-speaking church leaders in 9 countries. We have just launched the **first French language District School of Ministry with the North Texas District** in Southlake and Waxahachie, Texas.

PRAYER NEEDS: Traveling mercies as we are building a training network that will require travel on three continents. We are also traveling for itineration until the end of 2021.

FAMILY Luke is now beginning 12th grade and has his driver's license! He will be making decisions about college. Lillian is a sophomore in high school. They both joined the band this year at their school. Luke, Sarah, and Kristy played with the community band in Waxahachie!

COVID-19 Please pray for our **health** as we complete our itineration November 2021. We have lost a great deal of time due to church closures and quarantines. We are grateful that we have all recovered from Covid 19, but it took a toll on our family's health in the first quarter of 2021. (Photo right: Tim preaching in Waco in July.)

PEACE The West African region is in turmoil due to **unstable governments**, stretched resources, and an **unprecedented resurgence of terrorist activity**. Most of Northern Ivory coast is closed due to violent attacks and banditry. There are also reports of fighting in the west. Abidjan has become the regional hub for anti-terrorism training and intervention led by a multi-national force. Please pray that peace will return to this region so that we can continue to evangelize, serve local communities, church-plant, and train leaders to reconcile the unreached to Christ!

We are therefore Christ's ambassadors, as though God were making his appeal through us. We implore you on Christ's behalf: Be reconciled to God. (2 Corinthians 5:18-20)
