Dear family and friends,

We have been very busy these last 6 months!

Church Planting & Evangelism

We are proud to announce that in our new church plant, Bethel Assembly of God, in Abidjan-Bessikoi, we have grown to well **over 100 adult members and over 40 children!**

In April, we **baptized our first group of 16 believers** who have completed discipleship training! Several of these new believers come from "unreached" people groups. Praise the Lord! We

began this work in August and have seen people saved and healed in three evangelism events and weekly services. *Please pray as we have outgrown our rented facility and need to buy land.*

Outreach

In January, we hosted a team from Carthage, MO, and partnered with 5 African churches to build 3 church tabernacles and a medical clinic in the northeast region of Ivory Coast. We held evangelism services, and our team provided medical treatment for over 400 people! **Over 150 people from the Lobi people group responded to the gospel.** *Please pray that the clinic will be completed and equipped.*

Training

Tim has taught missions to student pastors at the Bible institute in Daloa. He has also taught undergraduate Bible students in Abidjan and Paris. In March and April, we spent three weeks in Lomé, Togo, serving at the West Africa Advanced School of Theology (WAASST). Kristy performed an analysis of the library and helped catalog books, and Tim taught a Theology course.

Pursuing God Together

As AGWM Africa missionaries, we follow the One House concept of *“Pursuing God together in the power of the Spirit for an increasingly redeemed and transformed Africa.”* We have been working to not only connect and work with others in our region but also to connect others to this great purpose. Our family was blessed, encouraged, and inspired at the One House Conference in South Africa in January. A special thanks to *Greg Beggs and the AGWM Africa office* for leading and inspiring us to work as a team to win souls and establish churches across the great continent of Africa and beyond.

SOMO Women's Conference – Oct. 2017

We want to thank *Kermit and Cindy Bell of North Texas* for preaching at our Pastoral Council, *Stan and Sheri Welch and the ministry team of Southern Missouri* for training pastors and women ministry leaders, and *Nelson and Regina Gonzalez of West Texas* for evangelizing and

training church leaders. We have been truly blessed and honored by your ministry and fellowship with us in Ivory Coast this year. We also want to thank *all* our supporters who have made this last year possible!
