Dear family and friends,

We thank you for your faithful support! We have started an official itineration and would welcome any occasion to meet with you virtually or in person. We wanted to give you an update on our family and ministry as we have adjusted to the many challenges the pandemic has presented. We have placed our trust in God that He is always with us (Mark 16:15).

Family. In January, **Pastor Larry Graham** assisted a ministry team from Joplin, MO and stayed an extra week to teach and preach. This was Larry's second missions trip to Ivory Coast. He personally, and through his former church in Carthage, MO, financed several building projects and was a great source of encouragement to our ministry through his counsel, teaching, and preaching. As we were writing this newsletter, we learned that Larry passed away. He has received his eternal reward. Pastor Graham, you will be missed, and we wanted to say one more time that we love you and we will miss you until we meet again. *"And I am sure of this, that he who began a good work in you will bring it to completion at the day of Jesus Christ."* (Philippians 1:6)

Church-planting and Outreach. We hosted two teams from the USA in January, February, and March before the government in Ivory Coast imposed a curfew, closed all non-essential travel within the country, and closed all schools and churches. A building and medical team from Southern Missouri, hosted by Pastor Veazey from 2nd Assembly of God, Joplin, built **three tabernacles** in Daloa & Soubre, Ivory Coast in January.
